Chill Bana™

The Chill Bana is one of the most recent products to join the AquaBanas family. This exciting new inflatable is designed to connect to any AquaBanas module, allows up to 6 adults to sit in the water with back rests for proper ergonomic positioning, and drink holders. Add a tent to keep cool in the shade while relaxing in the water and enjoying your favorite beverage. This module can easily connect to any of the AquaBanas components to give you some additional recreation area on the water.

- BanaGrip non-slip surface
- Drop stitch construction to maintain item shape and provide stability
- Hot air welded construction - Best in class durability
- Netted middle separate wildlife and guests, as well as protect from item loss
- Easily accepts our BT120 Bana Tent
- Anchoring and mooring points underneath
- Standardized connections offer unlimited modularity and customization

Shown With Optional Tent
