The Kiddie Bana™ is one of the most recent products to join the AquaBanas family. This exciting new inflatable allows up to 4 adults to sit comfortably in the corners while they watch their children play in the center in about 50cm/ 20" of water. This module can easily connect to any of the AquaBanas components to give you some additional recreation area on the water. Add a tent to keep cool in the shade while enjoying your favorite beverage.

- BanaGrip™ non-slip surface
- Drop stitch construction to maintain item shape and provide stability
- Hot air welded construction - Best in class durability
- Netted middle separate wildlife and guests, as well as protect from item loss
- Easily accepts our BT120 Bana Tent
- Anchoring and mooring points underneath
- Standardized connections offer unlimited modularity and customization
