

## AB0600 POP 3 Pool Yacht

8m x 7m (26' x 23')

The POP 3 Pool Yacht (Pop Out Pool 3 pieces) was designed with yacht crews in mind. The unit breaks into 3 pieces which are easier to handle while at the same time allows for better storage options on board. The BanaGrip™ non-slip top surface makes walking on the surface easy and comfortable. The removable jelly fish netting provides the option of using it if needed. Netted bags with ropes are included for sea weights to hold the netting down in the current. Includes 6 standardized connection points that allow any AquaBanas component to be easily connected.

- BanaGrip™ non-slip surface
- Made in 3 pieces for easy handling
- Drop stitch construction to maintain item shape and provide stability
- Hot air welded vs glued for best in class durability
- Low profile Quick Step for easy boarding from the water
- Anchoring and mooring points underneath
- Standardized connections offer unlimited modularity and customization
- Removable jelly fish netting with netted bags (sea weights for bags are not included)
- Designed for yachts and resorts
