

AB0700 PWC Bana™

PWC Bana connects to any AquaBanas deck with our standardized connection system. It creates a convenient space to confidently dock personal watercrafts in a variety of ways, also launch kayaks, SUPs, and other small water toys. Ask about customization of any of our PWC Bana Decks.

- BanaGrip™ non-slip surface
- Ballast bags for unrivaled stability
- Drop stitch construction to maintain item shape and provide stability
- Hot air welded construction vs glued for best in class durability
- Anchoring and mooring points underneath
- Standardized connections offer unlimited modularity and customization

Specifications
