

## AB5050 Large Bana™ Connector Kit

The Large Bana Connector Kit is used to seal the gaps that are between the 8" height product line inflatables when they are joined together. They are necessary to have when connecting any 2 or more Bana decks together. The Mega Lounger and King Lounger already have a Connector Kit to use so no need to purchase this for those items.

- 1x gap cap flap with hook n loop connectors
- 10x #316 stainless steel quick link connectors
- 2x 24" elastic cord
- 2x chain wrap covers

## Specifications

SKU	DESCRIPTION	STORED	WEIGHT
AB5050	Large Bana Connector Kit	15" x 12" x 3"   38 x 30 x 8cm	3 lbs   1 kg

## Notes

After securing the gap cap flap between the hook n loop safety flaps on the Bana Deck and a King/ Mega Lounger, connect the quick link connectors, next put the elastic cord between the D-Rings connected with the chains and elastic cord with wraps provided.
