LAGOONS & WATER PARKS

Splash Bana is great for families with small children. The netted hole in the middle is 60" (150cm) diameter and 8" deep. It allows children to splash around while up to 4 adults enjoy the sun on the deck with the inflated back rests. The drop stitch construction along with 2 ballast bags make it super stable and a series of D-Rings on the top and bottom to allow secure connections to other AquaBana products. Easily add a BT120 tent if shade is desired.

- BanaGrip non-slip surface
- Ballast bags for unrivaled stability
- Quick step for easy boarding from the water
- Drop stitch construction to maintain item shape and provide stability
- Hot air welded construction vs glued for best in class durability
- Anchoring and mooring points underneath
- Standardized connections offer Unlimited modularity and customization
